

LEGEND

Tree Inventory

Refer to Table 1 of report dated 10 December 2024 for the complete tree inventory information. Trees 15cm DBH and greater on and within 6 metres of the subject property and trees of all sizes within the road right-of-way were included in the inventory.

Tree Removal

The removal of 11 trees is required to accommodate the proposed work. Tree removal(s) are indicated with RED labels.

Tree Preservation

Preservation of the remaining trees will be possible with appropriate tree protection measures. Tree identified for preservation are indicated with GREEN labels. Trees that require injury are indicated with CYAN labels. Minimum Tree Protection Zones distances and required Tree Preservation Fencing are indicated in MAGENTA. Tree Preservation Zone (TPZ) circles represent minimum distances for disturbance near trees. Refer to Tree Protection Plan Notes for preservation details.

Tree Label (RED), removal required

Tree Label (GREEN)
